3-7 I note the DIA
Apex representative says
the Privacy Act would
not allow central
storage procedures, i.e.,
outside of the responsible
Agency. Is this true?

MEMORANDUM FOR: Director of Security

25X1

FROM:

[redacted]
Deputy Director for Community Affairs

SUBJECT: [redacted] Nondisclosure Agreement

25X1

25X1

1. Per your request on 7 July 1980, the issue of CIA providing a service of common concern to the Intelligence Community in the filing of the [redacted] Nondisclosure Agreement was reviewed with [redacted] and at the [redacted] Steering Group meeting.

25X1 25X1

2. [redacted] opined on 7 July that it would be desirable from his part to have the original copy of a Nondisclosure Agreement vice a Xerox or microfilm reproduction, centrally stored.

25X1

3. At the [redacted] Steering Group meeting on Tuesday, 8 July, the issue of central storage was raised. It appears now that military services, except Navy and AF believe there are certain facets negating the desirability of having someone or some agency other than the sponsor file and retain copies of DoD forms, [redacted] Nondisclosure Agreements included.

4. Accordingly, the issue may be considered moot for the time. And I shall ensure that the discussion leading to this position is recorded in the minutes of today's Steering Group meeting.
